

Dear Lake Partners Hiring Team,

I am excited to apply for the Analyst position at Lake Partners. My experience in structured problem-solving, data analysis, and stakeholder research aligns with your firm's approach to strategy consulting. I am particularly drawn to Lake Partners' collaborative environment and focus on high-quality, actionable insights.

Although I am based in Seattle, I am motivated to contribute to projects across industries and develop a strong foundation in strategy consulting under the mentorship of your accomplished team.

Thank you for your consideration.

Sincerely,

Eric Wu
